Amara KAMARA

President
Liberia Chamber of Mines

As the President of the Liberia Chamber of Mines, it is my distinct honor to address you at the Mining Indaba 2025. This prestigious gathering serves as a pivotal platform for fostering dialogue, collaboration, and investment within the global mining and minerals sector, and we are delighted to welcome you to our vibrant nation of Liberia.

Liberia is a country rich in mineral resources, including iron ore, gold, diamonds, and bauxite. Our diverse geological landscape presents vast opportunities for investment, innovation, and sustainable development. The mining sector is poised to play a crucial role in our economic recovery and growth, and we invite you to explore the myriad of possibilities that Liberia has to offer.

In recent years, the Government of Liberia and the Ministry of Mines and Energy have made significant strides in enhancing the regulatory framework to create a more transparent, accountable, and investor-friendly environment. We are committed to fostering a climate of trust and collaboration between investors and local communities, ensuring that the benefits of mining extend beyond mere profits to contribute to sustainable development and community welfare.

At The Liberia Chamber of Mines, we advocate for responsible mining practices that prioritize environmental sustainability and social responsibility. We understand that the success of our sector is intrinsically linked to the well-being of the communities in which we operate. By investing in local infrastructure, education, and healthcare, we can create a lasting positive impact that resonates throughout our nation.

As you explore investment opportunities in Liberia, I encourage you to connect with our local stakeholders, engage with our mining companies, and immerse yourself in our rich culture and heritage. Together, we can unlock the potential of our mineral resources while ensuring the protection of our environment and the empowerment of our people.

In closing, I want to extend my heartfelt gratitude to each of you for considering Liberia as a key player in your investment portfolio. Your participation in the Mining Indaba is a testament to your commitment to advancing the mining sector, and we look forward to forging meaningful partnerships that will shape the future of mining in Liberia.

Thank you, and welcome to Liberia!
